Our Culture

VISION

Our vision is to create a community of people that reduce the time they spent on daily commuting while making a positive impact on the Environment and the Society.

PHILOSOPHY

Time is our most valuable asset while the Environment defines the quality of our time.

Time Flies... It's Time to Fly

GOAL

Our Goal is to earn back more than 10% of the time we spend on our daily commute, while reducing the CO₂ emissions in Athens by 425.000 Kg until 2024.
